ABOUT PLZEŇKA

At Plzeňka, the heart of Plzeň's quality gastronomy beats—both figuratively and literally. Every day, the toll of our bell announces either the tapping of a new tank or the final bake of a fresh batch of golden-brown roasted pork knuckles.

Plzeňka offers four unique experiences in one space. In the "Hodovna," you'll enjoy the friendly atmosphere of a quality pub. The more peaceful "Salon" is perfect for family lunches or planning large evening celebrations for up to 40 people. The "Clubroom" at the back of Plzeňka is ideal for smaller parties of up to 20 people or for business lunches and dinners. Finally, the lively "Šenk" with its iconic taproom and under-ceiling tanks is where you'll experience the true spirit of a traditional pub, complete with our bell overhead.

Let's not forget our outdoor terrace, which accommodates 80 seated guests, and enjoys sunshine from Riegrova Street just in time around six in the evening.
